Memo No. 28, dated 3rd September 1909, from the State Geologist in Mysore, suggesting that Mr. H. K. Slater, Assistant Geologist, who is now on Furlough in England, should be given an opportunity of going to Canada and doing some work with the Geological Survey there and recommending that Mr. Slater may be sent to Canada for a period of 6 or 9 months after the expiry of his Furlough and that during that period he may be given his full pay and passage to and from Canada to England.

(2) Further correspondence on the same subject ending with D.O. letter, dated 21st February 1910, from the State Geologist in Mysore to the Dewan of Mysore.

ORDER THEREON :- After a careful consideration of the reasons assisgned by the State Geologist in favour of the deputation of Mr. Slater to Canada, the Government are ~~pleased~~ satisfied that it would be of advantage to the Department if Mr. Slater were allowed to proceed to Canada and work with the Geological Survey Officers there for a short period which however he cannot do unless aided by Government. The Government are accordingly pleased to direct that Mr. Slater may be sent on deputation to Canada for a period not exceeding
